

SPONSOR A BIBLE !

The St. James' Church School will be using an exciting new curriculum this fall!

Check it out @ www.activatefaith.org

A key component of this program is a hands-on connection between children and the Bible. The SPARK curriculum uses 2 Bible resources: the **Spark Story Bible**, for children age 2 to Grade 2, and the **Spark Bible** (New Revised Standard Version) for children in Grades 3 – 6. The younger children will use their Bibles at home; the older children will work with their Bibles each Sunday at Church School.

We would like to give a Bible to each child in our Church School, as well as having some extras for the classroom and for visitors.

You are invited to **SPONSOR A BIBLE** @ \$25.00 each

Our 2010 goal?

25 Spark Story Bibles

25 Spark Bibles (NRSV)
