

We were saddened to hear this week that local artist and raconteur Teddy Payne died recently in his 100th year. Teddy generously agreed to provide a painting for the first Jazz Vespers service in 2015 which St. James continues to use as the cover art. May Teddy's spirit and generosity continue to live on.

Mark Allwood and John Lederman deliver Jazz Vespers posters all over town. We owe them our appreciation for publicizing these services.

Food Bank Wish List

Paper towels are on the list again this week, along with:

- adult toothbrushes
- toothpaste (large tubes)
- canned salmon and tuna

St. James Community Food Bank

If God has given us more than we need, it is so that we can help others have what they need. Our Food Bank is a way for us to share with our neighbours. We are open every Tuesday morning, year-round. We offer canned and packaged foods, fresh fruits and vegetables, bread, dairy products, eggs, meat, snacks, school lunch supplies, personal care and cleaning products and pet food. The Food Bank is set up like a food store to maximize choice.

Our volunteers offer welcome, conversation and genuine respect. Customers often say they come for that as much as for the food.

Donations of food are received in the church narthex on Sundays and at the Food Bank on Tuesday mornings. Since we purchase most of our food, we welcome money donations by cheque (to St. James Anglican Church) or etransfer (to treasurer@stjamesstratford.ca) with memo "Food Bank".
